

ལྷན་པོ། **MINISTER**

MoH/COVID/2020/1121

23rd December 2020

Notification

Ministry of the Health would like to emphasize on the importance of complying to COVID-19 preventive measures at the flu clinics and sample collection areas.

Since the country is going through the active outbreak of COVID-19 in the capital as well as in few districts, it is imperative for every individual to take the following precautionary measures and safety protocols diligently and mandatorily:

- Wearing of facemask,
- Maintain physical distance between the clients and staff,
- Use of Druk Trace App,
- Frequent handwashing.

Therefore, all are requested to comply with this notification with immediate effect.
