DZONGKHAG ADMINISTRATION::WANGDUE PHODRANG

LIVESTOCK SECTOR

Ref. No.DAW/LS-14/2021-2022/ 7578

March 23rd, 2022

PUBLIC NOTIFICATION

Dzongkhag Administration, Wangdue Phodrang (Livestock Sector) in collaboration with De-suung office is conducting the first phase of the Nationwide Accelerated Dog Population Management and Rabies Control Program (NADPM &RCP) from 29th March to 11th April 2022. The first phase National Service Program will cover Thedtsho gewog and BajoThromde by setting up a 3 surgeon clinic comprising 12 technical team and 30 DeSuups in Wangdue Primary School Premises.

During the program all free roaming un-owned dogs will be picked up for Catch Neuter Vaccinate and Release (CNVR) protocol. The owners of pet or utility dogs are requested to bring your dogs for registration and they will be vaccinated and micro-chipped for digital identification. All dogs undergoing CNVR will be handled with utmost care and compassion for their health and welfare by De-suups and technical team.

Further, all pet owners are requested to keep their pets confined or collared. We also request all the stakeholders and communities to kindly extend all cooperation for the success of the National Service Program "NADPM & RCP". The second Phase of the National Program NADPM & RCP will be conducted from 18th April to 1st May 2022 covering all the remaining 14 gewogs in the Dzongkhag.
